Summary

Driven MBA graduate with a passion for talent acquisition and a strong foundation in recruitment practices.

With six months of experience as an HR Recruiter, I have developed a strategic approach to identifying, sourcing, and onboarding top talent. My expertise extends across the entire recruitment lifecycle, ensuring seamless hiring processes that align with business objectives and enhance workforce quality.

Key areas of proficiency include:

ATS management – Leveraging applicant tracking systems for efficient candidate management and workflow optimization.

Behavioral interviewing – Assessing candidates using structured techniques to ensure a cultural and competency-based fit.

Recruiting & talent acquisition – Implementing targeted sourcing strategies to attract high-caliber professionals across diverse industries.

Human resource policies – Understanding and applying HR guidelines to facilitate compliance, employee engagement, and retention.

Strategic hiring insights – Analyzing talent trends to support data-driven decision-making in workforce planning.

I thrive in collaborative environments where my analytical skills, business acumen, and enthusiasm contribute to building strong teams and fostering organizational growth.
